See: [Scholarships Eligibility Criteria](#) and [Scholarship Application Form](#)

Human Resources for Health (HRH) Scholarships in Health Systems Strengthening in the Asia Pacific Region

School of Public Health & Community Medicine

(2 scholarships available)

- The scholarship comprises an annual stipend of \$25,000 tax free, open to domestic students
- Scholarship available for 1 year (possibility of 2 years extension subject to satisfactory performance and availability of funding)

To be eligible for consideration of the award of a HRH scholarship in the School of Public Health and Community Medicine (SPHCM), applicants must:

- be enrolled for the first time in 2012 or have been accepted by the School of Public Health & Community Medicine into the MRes or PhD program in Session 2, 2012
- not be receiving a competitively awarded scholarship (e.g. APA, UIPA, NHMRC) to support their higher degree studies in 2012. Note however that previous scholarship holders are eligible to apply
- be enrolled on a full-time basis for the duration of the Scholarship
- be a new student of the School of Public Health & Community Medicine in 2012
- be conducting a project primarily within the School of Public Health & Community Medicine
- be conducting research in health systems strengthening in the Asia Pacific Region, however, the scholarship is *not* intended for the support of drug trials or other pharmaceutical commercial-sponsored trials or research
- be willing to attend and present at the School of Public Health & Community Medicine Research Showcase and seminar series, if requested
- have a primary supervisor who participates as a postgraduate review panel member

Applications will consist of the following:

- Completed and signed SPHCM Scholarship Application Form
- Research plan and thesis milestones
- *Curriculum Vitae*, including any research publications and presentations
- Letter from the primary supervisor indicating that he/she has sufficient resources to complete the research project in accordance with OH&S standards.

Further information, please contact resdegree-sphcm@unsw.edu.au

Closing date: 30th May 2012
