Starting points and practical support for new academic staff

Sessional Staff Gateway

<http://sessional.lnt.unsw.edu.au>

An online resource to support Sessional Staff at UNSW in their teaching and professional development. It is structured with the Sessional academic at its centre and links to a range of theoretical and practical support organised around seven fundamental questions about teaching. It includes summaries, practical checklists and guides as well as some video and external links to illustrate the principles of good learning and teaching.

Learning and Teaching @UNSW E-bulletin

<http://learningandteaching.unsw.edu.au/newsletters/February%202010.pdf>

A monthly e-bulletin providing useful updates and information from Learning and Teaching@UNSW
