RCPA SCHOLARSHIPS IN PATHOLOGY FOR MEDICAL SCHOOLS

The Council of the Royal College of Pathologists of Australasia has endorsed the following Guidelines for this scholarship:

1. One scholarship will be made available annually to the parent Medical School of every university in Australia and New Zealand having a Medical School. Universities which have more than one campus holding a Medical School will be offered the award for each main campus.
2. The scholarship, in the sum of \$2,000, will be offered to a student undertaking the Bachelor of Medicine (or equivalent) degree course.
3. In addition, two scholarships, each to the value of \$1,000, will be available to the Faculty of Medicine of the University of Papua New Guinea and one each for Fiji, Malaysia, Singapore, and Hong Kong (value AUD \$1,000), for the same purpose. Funding for this award is from the ER2 account.
4. The scholarship will be offered annually for a project associated with pathology, jointly developed by a student and supervisor and designed for the duration of one elective term or the duration of the Bachelor of Medicine (or equivalent) degree course.
5. The scholarship may be supervised by more than one supervisor, but at least one supervisor must be a Fellow of the Royal College of Pathologists of Australasia.
6. The successful applicant will be selected on a competitive basis by the Dean of each Faculty, or nominee, and judged by an application outlining the project, not exceeding 200 words.
7. The project design should be such that the student learns the principles of the scientific method in the practice of Pathology.
8. Previously successful applicants may not reapply.
9. The Royal College of Pathologists of Australasia must be acknowledged in any publication arising from the scholarship.
10. The scholarship should be awarded prior to the commencement of the elective term, or the Bachelor of Medical Science (or equivalent) degree course, unless otherwise specified by the Medical School.

Agreement to Abide by Terms and Conditions of the RCPA Scholarship for Medical School's policy

If my application is successful, I agree to submit a report to the Board of Education of the College at the conclusion of my Project outlining how my skills have been enhanced for the practice of Pathology.

The completed application can be submitted at any time during the year, but must reach the College no later than 31 May 2011 for the year 2010/2011. It should be submitted to the Medical School Faculty then, if approved, a letter of recommendation from the Faculty should be sent to:

**The Honorary Secretary, The Royal College of Pathologists of Australasia
207 Albion Street, Surry Hills NSW 2010**

Agreement to Abide by Terms and Conditions of the RCPA Scholarships in Pathology for Medical Schools Policy

I agree to abide by all the terms and conditions outlined in the policy entitled RCPA Scholarships in Pathology for Medical Schools Policy. I understand that failure to comply with the terms and conditions of the RCPA Scholarships in Pathology for Medical Schools Policy could result in the award being suspended or terminated.
